Re: FPPC Case No. 10/903; Don Perata and Believe in Oakland, Perata for Mayor 2010

Dear Mr. Perata:

On October 14, 2010, the Enforcement Division of the Fair Political Practices Commission sent a letter to you saying that an investigation had been initiated regarding allegations that you may have violated the Political Reform Act when you made a loan of funds from Perata Consulting LLC to finance your mayoral campaign.

We have now reviewed the campaign reports you filed. Based on our review, we are closing this case with no further action. If you have any questions, you may contact me at (916) 322-5662.

Sincerely,
